

# JESSAMINE COUNTY FIRE DISTRICT

1310 S. MAIN STREET – NICHOLASVILLE, KENTUCKY 40356

*HONOR – COURAGE – DEDICATION – SERVICE*

## **WE'RE HIRING!!!**

The Jessamine County Fire District is a progressive agency that is currently in search of quality, dedicated individuals that will strive to be part of the team. Help us meet the needs of our rapidly growing community! Join our team!!

We are accepting applications for the following positions: Part-time Firefighter/EMT – B

Basic Requirements: (Please submit copies with application)

- IFSAC Firefighter I & II
- IFSAC HAZMAT Awareness & Operations
- Kentucky Emergency Medical Technician – Basic
- NIMS: ICS 100, 200, 700, 800
- Valid Kentucky Driver's License

Preferred Training:

- Technical Rescue Certifications and Experience
- IFSAC Fire Instructor I
- Hazardous Materials Technician

We currently operate on 12-hour shifts providing fire suppression, technical rescue, and basic life support services to our community. We maintain automatic mutual aid agreements with our partners at Jessamine County EMS, Nicholasville Fire Department and Wilmore Fire Department, in addition to participation in the Bluegrass Emergency Response Team (BERT) and last year had a total call volume of over 1000 runs.

We offer a starting hourly rate of \$13.77 per hour with incentive pay for technical rescue and hazardous materials certifications. A time in grade pay-scale and uniform allowance also provided.

*Applicants must be at least 18 years of age, have a clean criminal history, meet the requirement criteria listed above. Copies of required documents shall be submitted with application. Applicants must pass department's physical agility test or present a valid CPAT card.*

Applications may be completed at Station 1 located at 1310 S. Main Street in Nicholasville or printed from our website ([www.jessaminefire.com](http://www.jessaminefire.com)). Applications accompanied by a current resume and required documentation should be submitted in person or mailed to the address listed above.

“The difficult we do immediately, the impossible takes a little longer”
