

KENTUCKY FALLEN FIREFIGHTER MEMORIAL

The Kentucky Fallen Firefighter Memorial is a cooperative effort of the Kentucky Firefighters Association, Kentucky Professional Firefighters Association, and fully supported by the Kentucky Fire Commission.

This memorial is a tangible tribute to those individuals who have made the ultimate sacrifice in the line of duty. At present, there are over 300 names honored on the memorial.

The memorial has undergone recent renovation and expansion. The apron of the memorial is paved with the names of firefighters who have served their communities diligently and have left us too soon.

You have the opportunity to participate in this lasting memorial project by purchasing a paver. Pavers may be engraved with the names of individuals, organizations, or associations.

By purchasing a paver, you are honoring a firefighter who has passed on, or one still living and serving, while also contributing to maintenance and upkeep of this memorial. Customized memorial benches are also available for purchase.

Pavers are available in the following sizes:

- 6" x 6"
- 12" x 12"
- 24" x 24"

Scan the QR code below for a link to additional information on the memorial, a list of names etched on the granite, or for information how a paver can be purchased. General donations for upkeep and improvements to the memorial site are also accepted.
