

Northern Pendleton Fire District
5900 Hwy 154 Butler, Ky 41006
Telephone: (859) 472 5127

The Northern Pendleton Fire District has surplused the following fire and EMS equipment. We are looking for Fire Departments, Rescue Squads or Ambulance Services that may have a need for this equipment, that have been affected by this past year's floods and / or tornadoes that ravaged the western and eastern parts of the Commonwealth.

If you are interested in any of this equipment please contact Chief John Seitz at npfd28@gmail.com or (859) 750-7459.
