The Spencer County Fire Protection District has declared the following property surplus and has allowed it to be sold by the method of negotiations. The property is in excellent condition and has been very well maintained per the recommendations of the manufacturer. All property is sold as is with no warranties expressed or implied. We are replacing these tools with battery operated tools and that is the only reason for selling them.

Questions should be directed to Chief Nathan Nation at 502-655-5701 or nnation@tscfpd.org
