

For Sale: Two Surplus Fire Apparatus

Vehicle 1: 1978 Mack-Baker Aerial Scope Tower Ladder

Mileage:25,396

Reserve bid \$3,000

Aerial device is 75 foot. There are several hydraulic leaks throughout the truck and the main lift cylinder is suspected of needing to be replaced. Apparatus will need to complete ladder testing and repairs to be returned to service. Truck will be sold **AS IS** with no warranty or guarantee. Buyer is responsible for removing the apparatus within 14 days of purchase and any associated fees for towing and/or owner transfer.

Vehicle 2: 1990's Model HUMVEE (Hard Top)

Mileage:69,173

Reserve bid \$1,500

Vehicle was donated to the city after being removed from military service. HUMVEE is coated in red LineX on the exterior and has storage shelves built in the rear. Vehicle has suspected brake and/or driveline issues. Headlights have been upgraded to LED but all interior components are stock. Vehicle being sold **AS IS** with no warranty or guarantee. Buyer is responsible for removing vehicle within 14 days of purchase and any associated fees for towing and/or owner transfer.

Sealed bids can be mailed or delivered by the end of business on February 16th, 2024 to the following address:

City of Wilmore

Attn: Surplus Vehicle Bid
210 S Lexington Ave
Wilmore KY 40390

Please include contact information with your bid. The highest bidder will be contacted by a city representative after bidding has closed. To schedule a visit to view either vehicle please email Assistant Chief Mike Ledford at mledford@wilmore.org
