

Northern Pendleton Fire District

5900 Highway 154, Butler, KY 41006

Phone: (859) 472-5127

Fire Chief: Adam L. Fuller

Equipment Needs:

The Northern Pendleton Fire District has identified the following needs for our agency. We are presently working with limited operational funds.

- 1.) SUV/Command Vehicle
- 2.) Pick Up Truck
- 3.) Pumper with a minimum of 1000 gallons of water -Pumper tanker we were operating for rural water supply was placed out of service last week and can only be used as a tanker currently. Height must be 9' 7" or lower to fit our main station.
- 4.) 2.5" nozzles
- 5.) Miscellaneous adapters including national standard to old Cincinnati
- 6.) 1.5" to garden hose adapters
