Brandon K. Howard
DIRECTOR/STATE FORESTER

January 11, 2023

Dear Fire Chief:

The Kentucky Division of Forestry is currently accepting grant applications for the Volunteer Fire Assistance Grant for Eligible Communities Impacted by 2021 Tornado and 2022 Flood Events (21' Tornado and 22' Flooding VFA Grant). The objective of the program is to improve the capability and effectiveness of Kentucky's rural volunteer fire departments that have been negatively impacted by the tornados and flooding that occurred in 2021 and 2022. This will be accomplished through organizing, training, and equipping local firefighters for fire protection in rural areas, including communities of 10,000 persons or less.

Grants will be awarded in a range from a minimum of \$1,000.00 to a maximum of \$5,000.00 and will be administered through a 50/50 reimbursement system. Volunteer fire departments will carry out grant projects and submit invoices to the Kentucky Division of Forestry that document total program cost. Grantees will be reimbursed 50 percent of the total project cost.

Eligible items that can be purchased with grant funds include: training materials, pumps, hoses, tanks, small fire suppression equipment, wildland personal protective equipment (PPE) such as Nomex® fire shelters, gloves, lights, etc. Additional details on the types of projects along with application forms and proposal instructions are available in the grant information package.

The fire department and Division of Forestry must sign a Memorandum of Agreement before any project begins. The fire department would then be required to adhere to the project approved in its application.

Grant proposals must be received at the Headquarters of the Kentucky Division of Forestry by 4:30 P.M. EDT on March 17, 2023. No Faxed Application will be accepted.

If you have any questions, please contact Michael Harp, Rural Fire Technical Advisor, at (502) 782-7164 or mike.harp@ky.gov.

Sincerely,

Brandon K. Howard
Director / State Forester
BKH:meh

Volunteer Fire Assistance Grant for Eligible Communities Impacted by Tornado and Flooding Damage of 2021 and 2022

The Kentucky Division of Forestry, in cooperation with the USDA Forest Service, is encouraging rural fire departments that have been negatively impacted by the Tornadoes and Flooding of 2021 and 2022 to apply for 21' Tornado and 22' Flooding VFA Grant. Funding provided through the Infrastructure Investment and Jobs Act (IIJA). The following information describes the Grant Program.

PROGRAM OBJECTIVES

- Organize, train, and equip fire departments in unprotected rural areas and rural communities for suppression of wildland fires.
- Assist qualifying fire departments in saving lives and protecting property in unprotected or inadequately protected rural communities.
- Prevent or reduce loss of life, protect financial investments, and enhance environmental quality to revitalize rural America.
- Increase the opportunity for rural fire departments to acquire training and current information on wildland fire prevention techniques.

INELIGIBLE PROPOSALS

This cost-share program is for programs, projects, or activities **not currently being funded** and is not intended to be a substitute for **existing** funding levels. The focus of this program is to support **new initiatives** that would not otherwise occur without grant funds.

NOTE: VFA funding is not authorized for:

- **A single piece of equipment with a purchase value of \$5,000.00 or more.**
- **No trucks, cars, ATV's, UAVs, or utility type vehicles.**
- **Capital improvements such as fire stations or pressurized water systems.**
- **Land acquisitions.**
- **Medical equipment.**
- **Fire hose greater than 2½ inch in diameter.**
- **Items not used in the suppression or protection from wildland fire.**
- **Turn-out gear / Bunker gear, structural boots, structural gloves, structural hardhats, and face shields.**
- **Extrication type equipment and PPE, including dual use extrication equipment.**
- **Cut off saws / rescue saws, rescue saw blades**

ELIGIBILITY

- A single fire department that has been negatively affected by the recent tornados and flooding.
- A single fire department serving a rural area or a rural community with a population of 10,000 or less (latest Census) may qualify.
- A single fire department that is currently using the National Integrated Incident Management System (NIIMS).
- Area fire departments (fire districts, townships, etc.) may serve an aggregate population of greater than 10,000 as long as the service area of the fire
- Department includes a rural area or a rural community having a population of 10,000 or less. The VFA funding must be used to benefit the rural population.
- A single county or town with a population over 10,000 that is served by two or more fire districts operating entirely within the bounds of the county or town may qualify as long as the service area of a given fire department includes a rural area, a rural community, or the population of the fire department's jurisdiction is 10,000 or less. The VFA funding must be used for the rural area.
- A single community with a population greater than 10,000 and having a single fire department with one or more fire stations may qualify. The fire department must have a service area that includes a rural area or community that does not exceed 10,000 in population. The VFA funding must be used only for the benefit of the rural population.
- A single community with a population greater than 10,000 in population may also be eligible provided the VFA funding is used entirely to support the rural community.
- A single community fire department serving a population greater than 10,000 and not providing protection to a rural area or to a rural community is **not** eligible for VFA financial assistance.
- A single community fire department that is at least 80% volunteer.

MATCHING FUND REQUIREMENTS

This is a cost-share grant. The federal government and the grantee share the total cost of the project. Funds are awarded on a 50/50 matching basis. The grantee must match the amount awarded by providing at least 50 percent of the total project cost. The grantee's share of the match must be in either cash or in-kind services. The grantee's share cannot come from a federal source, and the grant cannot be used as a match for any other federal cost-share project.

Cash purchase matches are direct, out-of-pocket expenditures for eligible project activities that are supported by paid invoices, cancelled checks, and signed receipts.

In-kind contributions matches like equipment, professional services at the professional rate, or time spent by employees or volunteers on eligible project

activities. Volunteer hours may be applied to the project at the current federal volunteer rates. Assistance provided by federal employees may not be claimed.

Grantees are required to maintain project records in accordance with all applicable federal and state regulations. This includes: (1) records shall comply with generally accepted accounting principles; (2) records will document allowable costs; (3) records will be supported by source documentation, such as cancelled checks, paid invoices showing a “zero” balance; and (4) records will be maintained for three years following payment.

EXAMPLES OF VFA PROJECTS

- ❑ Conversion of FEPP/FFP vehicles and UTV/ATV to water tenders, engines, brush trucks, and equipment trucks.
- ❑ Purchase of wildland fire prevention/education or training material.
- ❑ Purchase wildland fire fighting Nomex (yellow jumpsuits, yellow shirts, green pants).
- ❑ Purchase of wildland fire equipment and supplies to enhance wildland suppression capabilities.
- ❑ Upgrade inter-department radio communications system, including mobile and handheld radios, base stations, and repeaters.

FUNDING RANGES

The funding range for grant money requested is \$1,000 to \$5,000. Total project cost should be at least twice the grant amount requested. Request for funds less than \$1,000 match will not be accepted. Award amounts will be limited to \$5,000 per federal identification number.

GRANT APPLICATION REVIEW

All proposals will be graded and ranked by the local Kentucky Division of Forestry Branch offices. The Director of the Division of Forestry will allocate funds and award grants based on the recommendations of the Branch offices.

DEADLINES

Applications must be **received** at the Kentucky Division of Forestry, 300 Sower Blvd, Frankfort, KY 40601 by 4:30 P.M. EDT on March 17, 2023. Absolutely no applications will be accepted after the deadline. The Director will notify grantees of funding approval by July 1, 2023. Once the Memorandums of Agreement is returned and finalized within the date guidelines, grants will be assigned an office start date (TBD), and an ending date of June 1, 2024.

Faxed or Emailed applications will not be accepted. The original application plus one copy must be submitted.

Grantees may submit paperwork for reimbursement as soon as the grant project is complete. However, all grantees must have projects completed and all required reimbursement documentation into the Division of Forestry by June 1, 2023.

PAYMENT PROCESS

- Grantees must submit proof of expenditures by providing **all invoices** needed.
- All costs must be documented correctly before reimbursement is processed.
- All Invoices must show a **“zero” balance due**.
- Canceled or cleared checks from the bank must be provided.
- Grantees are paid on a reimbursement basis **after** the project is completed. **No partial reimbursements or payments are permitted.**
- **Unapproved grant expenses**, those not in the original approved application or those that don't have written approval from the Kentucky Division of Forestry during the grant process, **will not be paid. Purchases and/or projects must match what was included in the application that was approved.**

TECHNICAL ASSISTANCE

For assistance, contact:

- Rural Fire Suppression Technical Advisor, Michael Harp, at (502) 782-7164.
- Grant package will also be available on the Kentucky Division of Forestry's web site at <https://eec.ky.gov/Natural-Resources/Forestry>

PROPOSAL FORMAT

Written narratives must be included with the application form and should not exceed one page. Grant proposals should clearly indicate a need for grant assistance and must adhere to the format below. Please remember to be as thorough as possible; project proposals are more likely to be funded when they include all of the information below. Incomplete applications will not score high enough to be funded and cannot be graded competitively. **Remember to include the original application plus one complete copy of the application.**

1. Narrative (not to exceed one page):
 - Clearly states the purpose and the objective of the project, and how the department has been affected by the tornados and or flooding that occurred in 2021 and 2022.
 - States how the project will impact long-range wildfire suppression goals.
 - States how the project will provide safe wildland fire suppression.
 - Details how the project will be accomplished by addressing the following:
 - Participants (personnel, volunteers, sponsors, etc.).

- Enhancement of wildfire/urban interface fire suppression capacity or training.
- Timetable.
- Administration of project.
- End product/result.

2. Detailed budget:

- **Include each of the following in each application:**
 - Detailed breakdown of how **grant funds** will be utilized.
 - All sources of **cash matches**.
 - All sources of **in-kind services** (donated time, etc.).

In order for an application to be considered it must meet the following guidelines:

- All applications **must** contain a written narrative.
- All applications received **must** be on the official form F-16.
- No faxed applications will be accepted.
- No single ticket item of \$5,000 or more will be accepted.
- No vehicles, (trucks, cars, ATVs or utility type vehicles).
- No Drones will be accepted
- No cut off saws / rescue saws
- No structural gear, extraction equipment.
- All applications **must** have DUNS Number and Kentucky Vendor Number*.

Any application received that violates the provisions above **will not be accepted**.

- *Kentucky Vendor Number is your Fire Department number generated by Commonwealth of Kentucky Office of the Controller. If your department does not have a Vendor Number, download the EZ Vendor Registration Application listed on our website <https://eec.ky.gov/Natural-Resources/Forestry> and follow the instructions.
