Curriculum Access Information

IMPORTANT NOTE

Please ensure all instructors included in the request have created a ResourceOne Account prior to sending the request.

We are unable to process requests until all ResourceOne Accounts have been created.

To better serve our New Customers in the delivery of IFSTA curriculum through ResourceOne we ask that the requesting department authorize each individual instructor within the agency that is allowed to receive the curriculum, quizzes, tests and answers. The request should come from the Fire Chief, Academic Department Head, or their designee.

Please see the [sample letter](#) for the information we will require prior to the release of the information. The department may email us at resources@osufpp.org or mail us using the United States Postal Service to provide the release letter. Our mailing address is:

Fire Protection Publications
930 N. Willis St.
Stillwater, OK 74078

This request is to ensure that the material does not go to unauthorized individuals and preserve the integrity of the curriculum. Thank you for your understanding.

In order to access the curriculum, each instructor must create an IFSTA Account. To create a new account simply visit ResourceOne, click the login link at the top right corner of the page, and create a new account. Please allow up to two weeks for the request to be processed. **Prior to sending the letter, please ensure each instructor has created their IFSTA Account.**

Regards,

IFSTA Staff
