Re: 91st Annual KY State Fire School

The 91st Annual KY State Fire School is rapidly approaching, and we are excited to announce a new venue for this year's school and vendor show.

We are happy to announce that the vendor show, and host hotel will be at the Embassy Suites Lexington UK/Coldstream and classes will be held at Bluegrass Community and Technical College Leestown. Due to construction/parking issues in downtown Lexington, and after many meetings the KY State Fire School Board has chosen these venues to best serve the students of the school. This year's slogan is:

PROGRESS IS IMPOSSIBLE WITHOUT CHANGE

Vendor Show will be held Friday June 10th from 2:00pm to 9:00pm.

We have also decided to go to a one-day show after talking to many of you and getting your opinions. Booth spaces will again be 10X10, draped and include a 6ft table and 2 chairs.

Truck spaces will be available and will be directly outside in the parking lot adjacent to the vendor hall. We will go back in time and relive the old days of Fire School with trucks being displayed in the parking lot.

We do plan on serving food to the students during the vendor show.

We are always open to ideas to get the crowds into the vendor hall and if you have any special promotions or ideas, please let me know.

KFA Memberships will be processed directly by the KFA and will not be in the vendor packets again this year.

I look forward to working with everyone and welcome any comments/ideas on growing the show. You can reach me on my cell phone at 270-499-1602 or by email at marc.henderson@kctcs.edu.

Thank you!!

Marc Henderson
Vendor Coordinator
